

# ARCHAEOLOGY FIELD TECHNICIAN - CERTIFICATE OF ACHIEVEMENT

---

Plan Code: 3801

This program equips students with knowledge and skills useful in the field of Cultural Resource Management (CRM) and public archaeology. While students will gain the knowledge and skills applicable to the entry-level broader field of archaeology, most careers in archaeology will require more advanced education.

## Program Student Learning Outcomes

- Apply anthropological techniques and perspectives to the analysis and recovery of archaeological material.
