

# ADOBE FOR DESIGNERS - CERTIFICATE OF COMPLETION

---

**Plan Code: 6043**

This program provides students with an introduction to drawing techniques as they relate to architecture, interior design, design management, and other design-related professions. Students will develop their skills using Adobe Suite software. This program can facilitate finding employment in the field of spatial design or related fields.

## Program Student Learning Outcomes

- Apply knowledge of theory and skillsets in Adobe software related to design professions like interior design, construction management, industrial design and architectural design.
