

# DESIGN/BUILD - CERTIFICATE OF COMPLETION

---

**Plan Code: 6045**

This program provides students with an introduction to the skillsets and foundations of architecture, interior design, and other design-related concepts. Students will develop skills necessary for introductory design and architectural modeling. This program facilitates students' ability to successfully participate in other certificates and degrees related to industrial and interior design.

## Program Student Learning Outcomes

- Apply knowledge of design theory and modeling skillsets to projects related to design professions like interior design and architectural design.
