

HUMAN RESOURCES MANAGEMENT - CERTIFICATE OF ACHIEVEMENT

Plan Code: 3180

This program is designed to teach students the fundamental skills required to manage the human resource function of an organization. It is suitable for individuals seeking to work in entry-level positions in Human Resources and other areas of management across different organizational settings.

Program Student Learning Outcomes:

- Demonstrate a strong understanding of the theories and roles that human resource management functions play within an organization.
- Identify the role that ethics, social responsibility, and diversity play in planning and implementing organizational goals.
