

HOME REMODELING - CERTIFICATE OF ACHIEVEMENT

Plan Code: 3949

This program will provide essential skills that will enable students to gain entry-level employment in the field of Home Remodeling and Repair in the construction industry. By completing the certificate requirements, students acquire proficiency in basic construction techniques required to provide solutions for a variety of job site situations. The program provides career opportunities in various aspects of construction, including carpentry, plumbing, electrical, HVAC, concrete masonry and other construction crafts.

Program Student Learning Outcomes

- Interpret residential building codes.
- Utilize safe techniques when using hand and power tools.
