

FILM PRODUCTION - CERTIFICATE OF ACHIEVEMENT

Plan Code: 3257

This program is designed to prepare students for entry-level and self-employment in the film and television fields. Students are given basic skills in all aspects of film and video production and post-production: camera operation, lighting and cinematography, sound recording, video editing, sound design and creation, color correction and visual effects. Emphasis is placed on hands-on, experiential learning. Students are given access to professional-level equipment to produce both individual and collaborative projects and gain the necessary skills to enter the entertainment workforce.

Program Student Learning Outcomes

- Develop specific job skills related to pre-production, production, and post-production career paths in the Film & Television industry.
