

BREASTFEEDING AND NUTRITION - CERTIFICATE OF COMPLETION

Plan Code: 6059

This program is designed to provide education and training in breastfeeding support and nutrition counseling principles and practices. This program is designed for individuals seeking to pursue careers as lactation consultants, nutrition counselors, or other related roles in healthcare, public health, or community settings. The certificate equips students with the essential knowledge and skills necessary to effectively support breastfeeding mothers and promote optimal nutrition for infants, children, and families.

Program Student Learning Outcomes

- Apply knowledge of nutritional needs to develop appropriate dietary plans for pregnancy, lactation, and infancy.
- Develop and implement nutrition and cooking strategies for breastfeeding mothers to enhance the nutrient content of foods.
