

HEALTH EDUCATION AND PROMOTION - CERTIFICATE OF ACHIEVEMENT

Plan Code: 3705

This program is designed for students interested in pursuing careers in public health - health education, health promotion, community health worker; health sciences; human services; and other health-related careers that benefit from foundational knowledge and skills in health education, promotion, and advocacy. Students will be introduced to knowledge, skills, and strategies of public health that aim to positively improve individuals' and communities' health knowledge, attitudes, skills, and behavior.

Program Student Learning Outcomes

- Demonstrate the knowledge, skills, and strategies of public health that aim to improve individual and community health.
