

# TELEVISION PRODUCER - ASSOCIATE IN ARTS

**Plan Code: 1253**

This program teaches the fundamentals of knowledge and skills needed for today's media producer via Broadcast, Cable, Web, and other forms of digital media program content. Students prepare for producing media productions either independently or in a production environment. The Associate Degree will prepare students for career advancement in this field. Appropriate course selection will also facilitate transfer to a four-year college or university in film and television, communications, broadcasting, or digital media arts. Possible transfers are to four-year universities such as CSU, UC, and private universities such as Chapman University and USC. Employment and internship opportunities include audio/video technicians, camera operators, producers/directors, writers, editors, and a plethora of other audio/video support staff for all forms of digital media content.

## Program Student Learning Outcomes

- Demonstrate the ability to attain the Institutional Student Learning Outcomes (ISLOs).
- Critically assess the responsibilities of various creative and technical staff positions and evaluate the importance of each to the production.
