

PARKING REGULATIONS

Campus Safety Escort Program

Safety escorts are available to students and faculty at both LAC and TTC campuses, Monday through Friday, from 6:00 PM to 11:00 PM. To request a Campus Safety Escort, call 562-938-4100 to arrange for an escort to meet you on campus.

Parking and Traffic Regulations

A current semester student parking permit or a daily parking permit is required for all LBCC lots. Student permits and daily permits do not authorize parking in staff areas, metered parking, or other reserved areas except where posted otherwise. LAC offers additional parking in the Veterans Stadium Parking Lot. Parking permits can be purchased each semester on the Viking Portal.

The following rules are enforced to ensure the rights of permit holders, as well as to provide for the safety of people and property:

- Parking permits are required at all times in LAC and TTC parking lots. For students who do not wish to purchase a semester parking permit, daily parking permits are available at both campuses. Parking permit machines at LAC are located in lots E, H, M, O, P, and Veterans Stadium. Two machines are located on each level of the parking structure. The TTC machines are located in Lots 1, 2, and 10 with two machines located on each level of the parking structure. Signs for text to pay and Park Smarter app available in all Student Lots.
- Metered parking is available in Lots G, and H and on Lew Davis Street at LAC, and in Lot 2 at TTC.
- Virtual semester permits are available for purchase through the Viking Student Portal. One-day permits can be obtained via text-to-pay or the Park Smarter app, as indicated on the posted signs.
- Student permits and Daily permits do not authorize parking in staff spaces, metered stalls/parking, or other reserved parking spaces except where posted otherwise.
- Parking is available on a first-come, first-served basis.
- In LAC Lots G, H, I, and M after 4:00 p.m., students are allowed to park on a staff stall using a student permit. Any other staff stalls will require a staff permit at all times. At TTC, vehicles are required to display a staff permit when parking on a staff stall at all times.
- All vehicles must be parked between the lines of a designated parking space only. Backing into parking stalls is not permitted, head-in parking only. Motorcycles and mopeds are to be parked only in areas specifically posted for their use (LAC campus lot A, C, F, H, L, and parking structure; TTC campus lot 2 and parking structure). Operators must purchase a current semester parking permit. Motorcycles and mopeds may not be driven on campus or parked on sidewalks. Violators will be cited.
- A permit does not guarantee a parking space in the parking lot of choice. Students are advised to allow ample time to find parking. At LAC, additional parking is available in the Veterans Stadium parking lot.
- Citations are issued by the Long Beach Parking Services Department to automobiles, motorcycles, and mopeds that do not have current parking permit. Students parked in staff areas or other specially designated areas will also be cited.
- No adjustments will be made for parking citations with Parking Services Department. Individuals wishing to contest citations must do so by following the instructions on the citation and by calling

562-570-6822 or www.citationprocessingcenter.com (<https://lbcc-public.courseleaf.com/student-resources/student-support-services/parking-regulations/www.citationprocessingcenter.com>).

- Students, staff, or faculty with state-issued disabled placards are to park in marked handicapped spaces. If a handicapped space is not available, parking is allowed in any other student or staff space. Disabled permits are not valid in reserved spaces.
- Regulations pertaining to parking can vary from lot to lot. Each driver is responsible for reading the parking regulations that are posted at the entrance of each parking lot.
- Parking is free in the Veterans Stadium Lot at LAC and in the Parking Structure 2 at TTC the week prior to the semester and the first two weeks of the semester only. Permits are required during intersessions at all times.

Electric Vehicle Charging

- EVCS (Electric Vehicle Charging Station) stalls are available at LAC Campus Parking Structure (First Floor), Lot M Vets Stadium, Lot P, and at TTC Campus Parking Structure (first floor) and Lot 10.
- Vehicles parked on EVCS (Electric Vehicle Charging Station) stalls MUST possess a digital parking permit (i.e. Staff Permit, Student Permit, or Day Permit). Vehicles MUST also be charging while parked on EVCS stalls. Failure to do both of the above requirements will result in the issuance of a parking citation.
- All LBCC parking rules apply such as no overnight parking within the hours of 11:30 pm to 5:00 am.
- At the discretion of the Parking Services Department, EVCS or CAV stalls may turn into regular staff or student stalls if not being used. Covers will be placed on the chargers if they are not in service. Those stalls can also be reserved for special event parking. Signage will be posted if the stalls are reserved. Removal of any signage will result in the issuance of a citation. ChargePoint users will be notified of these instances using the ChargePoint App.

For comments and/or concerns regarding the EVCS or CAV stalls, please contact the Parking Services Department at 562-938-4534 or 562-938-5085.
