

STUDENT SPECIAL PROGRAMS

Adult Education Program

The adult education and noncredit courses and programs prepare basic skills learners, English as a Second Language learners, economically disadvantaged, and other non-traditional college students to attain the essential knowledge, skills, and abilities to successfully acquire and retain employment, transition to college, and/or effectively explore, plan, and establish career pathways leading to growth opportunities in high demand occupations. The courses are offered free (except for any applicable materials fees) and do not provide credit toward a degree.

DESTINO Program

Developing Engaging Science Through Innovative New Opportunities

Science, Technology, Engineering, and Mathematics (STEM) fields have become increasingly central to U.S. economic competitiveness and growth. Yet, industries in science and technology have twice as many job openings as there are sufficiently prepared U.S. workers ready to step into these jobs.

The DESTINO program is designed to assist STEM students with an array of student support services and academic support to reach educational goals of earning a degree and transferring to a 4-year university. The DESTINO program supports all students in STEM fields and all activities are free to program participants. For more information call (562) 938-3071 or email rolmos@lbcc.edu.

The DESTINO program provides students with the following:

- A dedicated STEM counselor
- STEM-focused Career Panels
- University Field Trips and a Northern California University Tour
- Financial Literacy and Scholarship workshops
- Tutoring in STEM courses
- Use of the DESTINO Science Center
- Academic Success workshops
- Participation in the Viking Summer Voyage-STEM option
- Mentoring through STEM faculty and Success Coaches

DREAM Services

LBCC is proud to support undocumented students and those with mix-status families. DREAM Services is dedicated to serving students through education, empowerment, and advocacy. The program's mission is to support the advancement of undocumented students within higher education and promote pathways for engaged scholarship. LBCC DREAM services are free to undocumented students. For more information, call (562) 938-4151 or email dreamservices@lbcc.edu

DREAM Services provides undocumented students with:

- Dedicated counselors
- Assistance with applying for financial aid
- Referrals to free legal consultations
- Textbook and laptop assistance
- Scholarship application support

- Mentoring and community-building activities
- Transfer support to private, UC, and CSU campuses

First-Year Experience Programs

The First-Year Experience (FYE) program houses Viking Advantage, Long Beach College Promise, and Promise 2.0. These three college programs provide transitional and first year student support through a case management approach, as well as access to Viking Summer Voyage, Welcome Day, First Year Success Workshops, and the Career Academy. Program participants have access to a dedicated success team network of Counselors, Student Success Coaches, and the Welcome Center team. To augment the student's experience, the FYE program has tailored support programs such as the Male Success Initiative (MSI) and collaborates with Developing Engaging STEM Through Innovative New Opportunities (DESTINO). Students are admitted to these programs in the fall semester only.

For more information visit the website at: <https://www.lbcc.edu/matric-first-year-experience>.

Viking Advantage

Viking Advantage is a First-Year Experience (FYE) program for any first-time college students enrolled in 12 or more units per semester. The program aims to increase college access and remove barriers to student success while increasing degree attainment and transfer.

The benefits of the program include:

- First year tuition (primary terms only) at LBCC
- Priority registration
- Second year programming focused on career development and mentoring.

Requirements to participate in Viking Advantage:

- Be a California resident (or AB540/Dreamer)
- Be a first-time college student
- Enroll in a minimum of 12 units at LBCC per semester
- Apply to FAFSA or CA Dream Act
- Complete the program agreement by the published deadline.
- Meet with an FYE Counselor to complete a comprehensive educational plan.

Long Beach College Promise

The Long Beach College Promise (LBCP) extends the promise of a college education to every student in the Long Beach Unified School District to create a more vibrant community. The LBCP aims to fulfill the academic potential of all youth by offering guidance and continuous support along every step of the student experience, from pre-K through college and onto career and life. The LBCP creates a culture of academic expectations, increases college readiness, improves graduation rates among Long Beach students, and raises the educational attainment rates of the entire Southern California region.

Fueling The LBCP is a dynamic partnership between Long Beach Unified School District, Long Beach City College, California State University, Long Beach, the City of Long Beach, and the Port of Long Beach.

The Long Beach College Promise is a First-Year Experience (FYE) program for direct high school matriculants from Long Beach Unified School

District. LBCP also extends to Mayfair, St. Anthony and St. Joseph high schools.

The benefits of the Long Beach College Promise include:

- Two years of tuition for primary terms at LBCC
- Priority Registration
- Second year programming focused on career development and award completion.

In order to be eligible for the second year of funding, Long Beach College students must complete 24 units and be in good academic standing at the end of the summer of their first year at LBCC.

Requirements to participate in the Long Beach College Promise:

- Must be a LBUSD, Mayfair, St. Anthony or St. Joseph high school graduate
- Must enroll at LBCC directly following graduation from high school
- Must be a first-time college student
- Enroll in 12 units or more at LBCC per primary semester
- Apply to FAFSA or CA Dream Act
- Complete the participation agreement by the published deadline
- Be a California resident (or AB540/Dreamer)
- Meet with an FYE Counselor to complete a comprehensive educational plan.

Long Beach Promise 2.0

Promise 2.0 is an enhancement to the Long Beach College Promise offering an optional program for Long Beach Unified School District graduates who pledge to follow an admission pathway to California State University, Long Beach (CSULB) in one of ten pre-approved majors. For more information about the ten majors visit the website at: <https://www.lbcc.edu/post/promise-2-info>.

Promise 2.0 participants receive these additional benefits:

- Specialized advising from CSULB Advisors and LBCC Counselors.
- Specialized programming at LBCC and CSULB
- A "Future Student" CSULB ID Card
- Participate in select CSULB campus events by special invitation

Requirements to participate in Promise 2.0:

- Must meet eligibility for Long Beach College Promise
- Must attend a mandatory orientation at CSULB
- Complete the Promise 2.0 student agreement by the published deadline
- Meet with a Promise 2.0 Counselor to complete a comprehensive educational plan.
- Take a prescriptive set of courses to transfer to CSULB
- Meet all eligibility requirements for transfer to CSULB

Foster Youth (NextUp and Guardian Scholars)

Foster Youth Support Services helps to provide a smooth transition to college for current and former foster youth students at Long Beach City College. The goal of the program is to create an engaging, inclusive and equitable community in which current and former foster youth can attain their educational, career, and personal goals. Provided is a "One-Stop-

Shop" that offers personalized assistance with educational goals with academic counseling, personal support, book grants, and referrals to community resources. Two programs are offered to serve foster youth:

NextUp is a supplemental program as part of the Extended Opportunity Programs and Services (<https://www.lbcc.edu/extended-opportunity-programs-and-services/>) (EOPS). NextUp assists current or former foster youth whose dependency was established or continued by the court on or after the student's 16th birthday and who are younger than 26 years of age at the beginning of the academic school year.

Guardian Scholars serves any current and former foster youth whose dependency was established or continued by the court.

Justice Scholars Program

The Justice Scholars Program (JSP) is a student support program housed within Student Equity at Long Beach City College.

The mission of the program is to create an inclusive, equitable, and just campus environment for formerly incarcerated and system impacted students. Through building community, the team is dedicated to promoting awareness and identifying the challenges students face. The program provides educational, social, and professional tools needed to reduce recidivism and increase persistence. The goal is to support students from reentry to graduation and/or transfer. JSP is part of the California Community College's Chancellor's Office Rising Scholars Network (<https://risingscholarsnetwork.org/>).

MANA Program

MANA is a program dedicated to building cultural, educational, and community experiences for Asian Pacific Islander Desi students. The Mana community helps ground students to build a strong foundation within their own communities to reach academic success. The goal is to enhance students' experiences and make connections between courses, instructors, and classmates through learning communities, social events, conferences, college hours, and student support programming. For more information visit the website at <https://www.lbcc.edu/mana-program> (<https://www.lbcc.edu/mana-program/>)

MANA provides the following services:

- Academic support for Asian Pacific Island Desi students
- Tutoring
- Transfer information
- Cultural workshops
- Financial Aid/Literacy workshops
- Mentoring
- Job opportunities

Male Success Initiative

The Male Success Initiative (MSI) is designed to address the unique needs and challenges of men of color (MOC) by connecting them to existing services, bolstering a sense of belonging and identity, structured mentoring opportunities, and direct student aid. The mission is to inspire MOC to dream while empowering them to act so that demography (race, socio-economic status, zip code) is no longer destiny.

Requirements to Participate (all apply):

- Be a College Promise (<https://www.lbcc.edu/post/long-beach-college-promise/>) Student

- Be a first-time college student
- Be enrolled in 12+ units
- Applied for the FAFSA or California Dream Act (<https://www.lbcc.edu/financial-aid/>)
- Completed the Participation Agreement for the First-Year Experience (<https://www.lbcc.edu/matric-first-year-experience/>)
- Self-identify as a male student of color
- Maintain a 2.0 GPA
- Consistently strive to be the best version of self

Puente

The mission of the Puente program is to increase the number of educationally underrepresented students who enroll in four-year colleges and universities, earn college degrees, and return to their communities as leaders and mentors. Puente students receive intensive writing instruction, academic counseling, and mentoring from positive role models. In addition, they participate in the Transfer Motivational Conference, UC/CSU field trips, and cultural events such as Noche De Familia and attending a Latino play. Puente is open to all students. For more information, email counselor Vidal Vargas at vvargas@lbcc.edu or call 562-938-3016.

Senior Studies Program

The Senior Studies Program provides fee-based programs for adults. Classes are offered in world affairs, music, brain enhancement, and other areas, all designed for the active adult. Mini tours to museums and galleries are also sponsored by the center. The Senior Center is located at the Pacific Coast Campus in room QQ-122. For further information, call 562-938-3047.

Trio Program - GO Project

LBCC Growth and Opportunities (GO) Project is a federally funded Student Support Service program designed to increase the number of students with disabilities who transfer to four-year colleges and universities. The GO Project is a comprehensive program of academic support and personal development services for low-income, first-generation college, and disabled students to achieve retention and graduation rates that exceed that of the general student body. A major advantage of GO Project participation is services and activities that are tailored to meet the specific individual needs of each student.

GO Project offers specialized tutoring, cultural enrichment and field trips, career and life counseling, financial education, and academic and transfer counseling services. GO Project is located in GG-217, 562-938-3233 (PCC). For more information, visit www.lbcc.edu/trio-go-project/ (<http://www.lbcc.edu/trio-go-project/>).

Trio Program - Upward Bound

The Upward Bound Program provides comprehensive academic, social, and emotional support services to approximately 70 participants in their preparation for college entrance. The program serves three target high schools in the Long Beach Unified School District with the overall goal of assisting participants to successfully enroll in and complete a post-secondary education. The program accomplishes this objective by enhancing participants' academic skills, personal motivation, and confidence needed to succeed in college. Upward Bound recruits students who are from low-income families, are potential first-generation college graduates and have a high academic need for services. Foster youth and students who have complex barriers impeding their academic

success are a high priority in the recruitment process. Programming is structured to enhance participants' academic skills, personal motivation, effective communication and leadership skills, creative and critical thinking skills, a positive attitude toward learning, and tolerance toward others. Participants attend the program on a year-round basis and receive high school elective credit for completing an intensive six-week summer program. As of March 2020, all services have been replicated and students have available services six days a week.

The program offers two specific components:

1. Academic Year Programming (Sept. - June)
Saturday Academy includes but is not limited to: assistance in choosing a college; tutoring; personal and financial counseling; career counseling; assistance in applying to college; special instruction in reading, writing, study skills, and mathematics; assistance in applying for financial aid; SAT preparation; leadership development workshops; college tours; and exposure to enrichment engagement. Annual academic activities/events also include after-school tutoring, academic advisement, socio-emotional and social justice workshops, and STEM opportunities.
2. Six-Week Summer Programming (June - Aug.)
Students participate in an authentic "college-going experience" by residing on a local college campus and taking college-level courses. The intensity of the summer program is designed to enhance each student's abilities inside and outside of the classroom and to prepare students for how to successfully navigate the rigors of college. Students have the opportunity to take part in a variety of academic classes such as English Composition & Literature & Composition, Foreign Language, Math, and Laboratory Science as well as innovative STEM programming. Following the completion of the summer component, an annual excursion to visit colleges in Northern California punctuates the six weeks.

Umoja Scholars Program

Umoja, (a Kiswahili word meaning unity) is a Learning Community and critical resource dedicated to enhancing the cultural and educational experiences of African American and other students. Umoja believes that when the voices and histories of students are deliberately and intentionally recognized, the opportunity for self-efficacy emerges and a foundation is formed for academic success. Umoja actively serves and promotes student success for all students through a curriculum and pedagogy responsive to the legacy of the African and African American Diasporas.

Umoja Scholars Program students may enroll in general education courses that are culturally relevant through the Learning Community. They also receive academic, personal, transfer counseling, career exploration guidance, and participate in professional development conferences and cultural events. Umoja Scholars may also attend tours and field trips to UC/CSU and Historically Black Colleges and Universities based on space and availability. For more information, call 562-938-5052 or email the counselor at umoja@lbcc.edu.

Campus Child Development Center and Learning Lab

Childcare and preschool services make attending classes more convenient for many students. Quality care is available for children between 2 and 5 years of age, before kindergarten entrance. Both LBCC campuses have childcare facilities. Financial assistance may be available for income and need-qualifying families. The facility used

is not dependent on the location of classes. The centers are open Monday-Friday from 7:00 a.m. to 5:30 p.m. and partial and full-day options are available. For information about fees, space availability, and parent responsibilities, call 562-938-3079 or 562-938-3082 (PCC), 562-938-4253 (LAC), or visit www.lbcc.edu/child-development-center (<http://www.lbcc.edu/child-development-center/>).
